## **I. Legal Authority**

The Workforce Innovation and Opportunity Act, or WIOA sec. 121(c)(1) requires the local workforce development board, or local board, or LWDB, with the agreement of the chief elected official, or CEO, to develop and enter into a memorandum of understanding, or MOU, between the local board and the one-stop partners, consistent with WIOA Sec. 121(c)(2), concerning the operation of the one-stop delivery system in a local workforce development area, or local area, or LWDA. This requirement is further described in the WIOA; Joint Rule for Unified and Combined State Plans, Performance Accountability, and the One-Stop System Joint Provisions: Final Rule at 20 CFR 678.500, 34 CFR 361.500, and 34 CFR 463.500 and in federal guidance. Additionally, the sharing and allocation of infrastructure costs among one-stop partners is governed by WIOA sec. 121(h), its implementing regulations, and the federal cost principles contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, or Uniform Guidance, at 2 CFR part 200.

## **II. Introduction**

The purpose of this memorandum of understanding, or MOU, is to define the parameters within which education, workforce, economic development, and other partner programs and entities operating in the Berks County Workforce Development Area create a seamless, customer-focused service delivery system that aligns service delivery across the area and enhances access to program services. By realizing one-stop opportunities together, partners can build community-benefiting bridges, rather than silos of programmatic isolation. These partnerships will reduce administrative burden and costs while increasing customer access and performance outcomes.

The MOU is also a financial plan, including terms and conditions, to fund the services and operating costs of the PA CareerLink® Berks County system. The parties to this agreement agree that joint funding is a necessary foundation for an integrated service delivery system. The MOU parties' goal is to develop overarching parameters in establishing a funding mechanism that:

- establishes and maintains the local workforce delivery system at a level that meets the needs of the job seekers and businesses in the local area
- reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among partners (thereby improving each program's effectiveness)
- ensures that costs are appropriately shared by PA CareerLink® partners by determining contributions based on the proportionate use of the one-stop centers and relative benefits received, while requiring that all funds are spent solely for allowable purposes consistent with applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

This MOU is executed between the Berks County Workforce Development Board (WDB), PA CareerLink® Berks County One-Stop Partners (Partners), and the Chief Elected Official (CEO), of the County of Berks. They are collectively referred to as the "parties" to this MOU. This MOU is developed to confirm the understanding of the Parties regarding the operation and management of the PA CareerLink® Berks County.

The Berks County WDB, with the agreement of the CEO, has competitively selected Educational Data Systems, Inc. as the one-stop operator for the PA CareerLink® Berks County. The Berks County WDB selected the One-Stop Operator through a competitive process in accordance with the Uniform Guidance, WIOA and its implementing regulations, and local procurement laws and regulations. All documentation for the competitive Operator procurement and selection process

are available upon written request to the WDB. WIOA requires a competitive process be conducted at least once every four years to properly procure an Operator. Functional details are outlined in the Roles and Responsibilities of the One-Stop Operator.

The Infrastructure Funding Agreement, or IFA, and PA CareerLink® Operating Budget, or OB, establish a financial plan, including terms and conditions, to fund the services and operating costs of the PA CareerLink® Berks County system. Parties to this MOU agree that joint funding is an essential foundation for an integrated service-delivery system and necessary to maintain the Berks County Workforce Development Area (WDA) high-standard PA CareerLink® system.

The Vision, Mission, System Structure, Terms and Conditions, Infrastructure Funding Agreement, Operating Budget, and parties to the MOU Signatory Pages contained herein reflect the commitment of the parties to their job seeker, worker, and business customers, as well as to the overall Berks County community.

### **Data Sharing**

Partners agree that the collection, use, and disclosure of customers' personally identifiable information (PII) is subject to various requirements set forth in Federal and State privacy laws. Partners acknowledge that the execution of this MOU, by itself, does not function to satisfy these requirements.

All data, including customer PII, collected, used, and disclosed by partners will be subject to the WDB Data Security Policy. Training is also available upon request to the PA CareerLink® Site Administrator or One-Stop Operator. All partners will be required to sign a WDB non-disclosure agreement by July 31<sup>st</sup> of each program year.

### **Confidentiality**

All Parties expressly agree to abide by all applicable Federal, State, and local laws and regulations regarding confidential information, including PII from educational records, such as but not limited to 20 CFR Part 603, 45 CFR Section 205.50, 20 USC 1232g and 34 CFR part 99, and 34 CFR 361.38, as well as any applicable State and local laws and regulations. Each Party will ensure that the collection and use of any information, systems, or records that contain PII, and other personal or confidential information will be limited to purposes that support the programs and activities described in this MOU and will comply with applicable law.

Each Party will ensure that access to software systems and files under its control that contain PII, or other personal or confidential information will be limited to authorized staff members who are assigned responsibilities in support of the services and activities described herein and will comply with applicable law. Each Party expressly agrees to take measures to ensure that no PII or other personal or confidential information is accessible by unauthorized individuals.

To the extent that confidential, private, or otherwise protected information needs to be shared amongst the Parties for the Parties' performance of their obligations under this MOU, and to the extent that such sharing is permitted by applicable law, the appropriate data sharing agreements will be created and required confidentiality and ethical certifications will be signed by authorized individuals. With respect to confidential unemployment insurance information, any such data sharing must comply with all the requirements in 20 CFR Part 603, including but not limited to requirements for an agreement consistent with 20 CFR 603.10, payments of costs, and permissible disclosures.

With respect to the use and disclosure of FERPA-protected customer education records and the PII contained therein, any such data sharing agreement must comply with all the requirements set forth in 20 U.S.C. § 1232g and 34 CFR Part 99.

With respect to the use and disclosure of personal information contained in OVR records, any such data sharing agreement must comply with all the requirements set forth in 34 CFR 361.38.

### **Referrals**

The primary principle of the referral system is to provide integrated and seamless delivery of services to workers, job seekers, and employers. To facilitate such a system, Partners agree to:

- Familiarize themselves with the basic eligibility and participation requirements, as well as with the available services and benefits offered, for each of the Partners' programs represented in the PA CareerLink® Berks County,
- Develop materials summarizing their program requirements and making them available for Partners and customers,
- Develop and utilize intake, eligibility determination, assessment, and registration processes,

- Provide substantive referrals to customers who are eligible for supplemental and complementary services and benefits under partner programs,
- Regularly evaluate ways to improve the referral process, including the use of customer satisfaction surveys,

## **Accessibility**

Accessibility to the services provided by the PA CareerLink® Berks County and all Partner agencies is essential to meeting the requirements and goals of the PA CareerLink® Berks County. Job seekers and businesses must be able to access all information relevant to them via visits to physical locations as well as in virtual spaces, regardless of gender, age, race, religion, national origin, disability, veteran’s status, or on the basis of any other classification protected under state or federal law.

### *Physical Accessibility*

One-stop centers will maintain a culture of inclusiveness and the physical characteristics of the facility, both indoor and outdoor, will meet the latest standards of accessible design. Services will be available in a convenient, high traffic, and accessible location, considering reasonable distance from public transportation and adequate parking (including parking clearly marked for individuals with disabilities). Indoor space will be designed in an “equal and meaningful” manner providing access for individuals with disabilities.

### *Virtual Accessibility*

The WDB will work with the Pennsylvania Department of Labor & Industry to ensure that job seekers and businesses have access to the same information online as they do in a physical facility.

### *Communication Accessibility*

Communication access, for purposes of this MOU, means that individuals with sensory disabilities can communicate (and be communicated with) on an equal footing with those who do not have such disabilities. All partners agree that they will provide accommodations for individuals who have communication challenges, including but not limited to individuals who are deaf and hard of hearing, individuals with vision impairments and individuals with speech-language impairments.

### *Programmatic Accessibility*

All Partners agree that they will not discriminate in their employment practices or services on the basis of gender, gender identity and/or expression, age, race, religion, national origin, disability, veteran’s status, or on the basis of any other classification protected under state or federal law. Partners must assure that they have policies and procedures in place to address these issues, and that such policies and procedures have been disseminated to their employees and otherwise posted as required by law. Partners further assure that they are currently in compliance with all applicable state and federal laws and regulations regarding these issues. All Partners will cooperate with compliance monitoring that is conducted at the Local level to ensure that all PA CareerLink® Berks County programs, services, technology, and materials are physically and programmatically accessible and available to all. Additionally, staff members will be trained to provide services to all, regardless of range of abilities, mobility, age, language, learning style, or comprehension or education level. An interpreter will be provided in real time or, if not available,

within a reasonable timeframe to any customer with a language barrier. Assistive devices, such as screen-reading software programs (e.g., JAWS and DRAGON) and assistive listening devices must be available to ensure physical and programmatic accessibility within the PA CareerLink<sup>®</sup> Berks County.

The Operator and its Partners will develop and implement a strategic outreach plan that may include:

- Federal awards are used for authorized purposes in compliance with law, regulations, and State policies,
- Those laws, regulations, and policies are enforced properly,
- Performance data are recorded, tracked, and reviewed for quality to ensure accuracy and completeness,
- Outcomes are assessed and analyzed periodically to ensure that performance goals are met,
- Appropriate procedures and internal controls are maintained, and record retention policies are followed, and
- All MOU terms and conditions are fulfilled.

All Parties to this MOU should expect regular fiscal and programmatic monitoring to be conducted by each of the above entities, as appropriate.

### **Non-Discrimination and Equal Opportunity**

All Parties to this MOU certify that they prohibit, and will continue to prohibit, discrimination, and they certify that no person, otherwise qualified, is denied employment, services, or other benefits on the basis of: (i) political or religious opinion or affiliation, marital status, sexual orientation, gender, gender identification and/or expression, race, color, creed, or national origin; (ii) sex or age, except when age or sex constitutes a bona fide occupational qualification; or (iii) the physical or mental disability of a qualified individual with a disability.

The Parties specifically agree that they will comply with Section 188 of the WIOA Nondiscrimination and Equal Opportunity Regulations (29 CFR Part 38; Final Rule December 2, 2016), the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Non-traditional Employment for Women Act of 1991, titles VI and VII of the Civil Rights of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1967, as amended, title IX of the Education Amendments of 1972, as amended, and with all applicable requirements imposed by or pursuant to regulations implementing those laws, including but not limited to 29 CFR Part 37 and 38.

No Partner assumes any responsibility for any other party, State, or non-State, for the consequences of any act or omission of any third party. The Parties acknowledge the WDB, and the one-stop operator have no responsibility and/or liability for any actions of the one-stop center employees, agents, and/or assignees. Likewise, the Parties have no responsibility and/or liability for any actions of the WDB or the one-stop operator.

### **Severability**

### **Drug and Alcohol-Free Workplace**

All parties to this MOU certify they will comply with the Drug-Free Workplace Act of 1988, 41 U.S.C. 702 et seq., and 2 CFR part 182 which require that all organizations receiving grants from any Federal agency maintain a drugfree workplace. The recipient must notify the awarding office if an employee of the recipient is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for suspension or debarment under 2 CFR part 180, as adopted by the U.S. Department of Education at 2 CFR 3485, and the U.S. Department of Labor regulations at 29 CFR part 94.

### **Certification Regarding Lobbying**

Partners will target recruitment of special populations that receive a focus for services under WIOA, such as individuals with disabilities, low-income individuals, basic skills deficient youth, and English language learners.

### **Buy American Provision**

Each Party that receives funds made available under Title I or II of WIOA or under the Wagner-Peyser Act (29 U.S.C. Section 49, et. seq.) certifies that it will comply with Sections 8301 through 8303 of Title 41 of the United States Code (commonly known as the “Buy American Act.”) and as referenced in WIOA Section 502 and 20 CFR 683.200(f).

### **Salary Compensation and Bonus Limitations**

### **Non-Assignment**

Except as otherwise indicated herein, no Party may, during the term of this MOU or any renewals or extensions of this MOU, assign or subcontract all or any part of the MOU without prior written consent of all other Parties.

### **Governing Law**

This MOU will be construed, interpreted, and enforced according to the laws of the Commonwealth of Pennsylvania. All parties shall comply with all applicable Federal and State laws and regulations, and Local laws to the extent that they are not in conflict with State or Federal requirements.

## **V. Steps to Reach Consensus**

The parties to this MOU agree to use the following steps to reach consensus:

### ***1. Notification of Partners***

The operator, at the direction of the WDB, will notify partners in writing that it is necessary to renew and execute the MOU and provide all applicable policies and preceding MOU documents, as applicable.

2. Kickoff Meeting

The operator is responsible for convening all required and additional PA CareerLink® partners to formally kick-off negotiations, and to ensure that, at a minimum, all partners are appropriately represented. The kickoff meeting will take place during the first quarterly Partners meeting held in October. The MOU procedures and timeline will be presented at this meeting. A copy of the timeline will be provided to all parties.

3. Negotiations

Partners must submit all relevant documents to the Berks County WDB to be included in the MOU by the due date provided in the kickoff meeting timeline.

4. Draft MOU

The WDB must email a completed draft of the MOU to all parties by the specified deadline provided in the kickoff meeting timeline. Additionally, the WDB must ensure all PA CareerLink® Partners are aware of the revisions made to the MOU.

5. Review and Comment

All Parties must review and return feedback to the WDB by the specified deadline in the kickoff meeting timeline. It is advised that each Party also use this time to allow their respective Legal Departments to review the MOU for legal sufficiency.

6. Finalized Draft

The WDB will secure Partner signatures within four (4) weeks of circulation of the final agreement. The MOU will be considered fully executed once all signatories have reviewed and signed, and a signed copy has been returned to the WDB.

If determined that a Partner is unwilling to sign the MOU, then the WDB must ensure that the dispute resolution process is followed.

**Dispute Resolution**

The following section details the dispute resolution process designed for use by the Partners when unable to successfully reach an agreement necessary to execute the MOU. A disagreement is considered to have reached the level of dispute resolution when an issue arises out of the development and negotiation of an MOU that is not easily coming to a point of resolution. It is the responsibility of the WDB to coordinate the MOU dispute resolution to ensure that issues are being resolved appropriately. Any party to the MOU may seek resolution under this process.

1. All Parties are advised to actively participate in local negotiations in a good faith effort to reach agreement. In case of disputes, parties shall attempt informal resolution first. The WDB staff shall attempt to mediate and resolve the dispute in an informal manner.
2. Should informal resolution efforts fail, the dispute resolution process must be formally initiated by the petitioner seeking resolution. The petitioner must send a notification to

the WDB COO and all Parties to the MOU regarding the conflict within 10 business days.

3. The WDB Board Chair will appoint a Special Committee consisting of five WDB members who are not parties to the MOU to attempt to mediate and resolve the dispute. Disputes shall be resolved by a simple majority consent of the Special Committee members.
4. The decision of the Special Committee shall be final and binding unless such a decision is in contradiction of applicable State and Federal laws or regulations governing the Partner agencies. The right of appeal no longer exists when a decision is final. Additionally, final decisions will not be precedent-setting or binding on future conflict resolutions unless they are officially stated in this procedure.
5. The Special Committee must provide a written response and dated summary of the proposed resolution to all Parties to the MOU.
6. The WDB COO will contact the petitioner and the appropriate Parties to verify that all agree with the proposed resolution.

It is central to the intent and purpose of this MOU that the parties will make every effort to maintain a positive working relationship, keep each party fully informed, and engage in ongoing dialogue and consultation to avoid disagreements, minimize the impact of any which may arise and resolve them collegially.

### **MOU Modifications**

The MOU parties agree that non-substantive changes to the MOU, such as minor revisions to the budget or adjustments made due to the annual reconciliation of the budget, do not require MOU modification.

1. *Notification of Partners:* When a MOU Party wishes to modify the MOU, the Party must provide (30) days advanced written notification to the WDB and outline the proposed modification(s). Exceptions for termination or withdrawal of a Partner are identified separately in this MOU. The WDB must notify all parties in a timely manner of the requested modification which may be accomplished by an email communication.
2. *MOU Modification Process:* Once all parties are notified, the WDB will revise the existing MOU with the requested changes.
3. *Signatures:* The WDB must circulate the modified MOU to all parties and obtain new signature sheets within 4 weeks of circulation.

If determined that a partner is unwilling to agree to the MOU modification, the WDB COO must ensure that the process found at the MOU's Dispute Resolution section is followed.

### **Termination**

This MOU will remain in effect until the end date specified in the Effective Period section below, unless:

- All Parties mutually agree to terminate this MOU prior to the end date.

- Federal oversight agencies charged with the administration of WIOA are unable to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this MOU succeeding the first fiscal period. Any party unable to perform pursuant to MOU due to lack of funding shall notify the Operator as soon as the party has knowledge that funds may be unavailable for the continuation of activities under this MOU.
- WIOA is repealed or superseded by subsequent federal law.
- Local area designation is changed under WIOA.
- A party breaches any provision of this MOU, and such breach is not cured within thirty (30) days after receiving written notice from the WDB Chair (or designee) specifying such breach in reasonable detail. In such event, the non-breaching party(s) shall have the right to terminate this MOU by giving written notice thereof to the party in breach, upon which termination will go into effect immediately.

In the event of termination, the Operator will convene Parties to the MOU within thirty (30) days after the breach of the MOU to discuss the formation of the successor MOU. At that time, allocated costs must be addressed.

Any party may request to terminate its inclusion in this MOU by following the modification process identified in the Modification section above.

### **Commonwealth of Pennsylvania and Partner Agency Requirements**

The Commonwealth of Pennsylvania Required Terms and Conditions are in Appendix A.

Partner agency specific addendums to this MOU are in Appendix B.

### **Effective Period**

This MOU is entered into on July 1, 2023, and must terminate on June 30, 2026, unless any of the reasons in the Termination section below apply.

### **Infrastructure Funding Agreement (IFA)**

The MOU parties agree that Infrastructure Funding Agreement, or IFA, is an incorporated component of the MOU, and when consensus is reached, allows the Local Funding Mechanism to be employed.

The partners of the PA CareerLink® Berks County site have come together to establish a self-negotiated, rather than state funding mechanism-driven, method of covering costs associated with the one-stop system. Information related to costs, including those related to the MOU and Infrastructure Funding Agreements, the cost allocation methodology, steps to reach consensus, dispute resolution process, and impasse process are outlined below. Note that the PA CareerLink® Operating Budget, or OB, is a fluid document; at times modifications will be needed to reflect increases in staffing levels or instances of increasing or decreasing costs associated with site operations. These budgets reflect current cost allocation methods applied to partners and are included in this MOU's PA CareerLink® Operating Budget section.

PA CareerLink® Berks County infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the PA CareerLink® Berks County, including, but not limited to:

- Rental of the facilities.
- Utilities and maintenance.
- Equipment, including assessment-related products and assistive technology for individuals with disabilities; and,
- Technology to facilitate access to the PA CareerLink® Berks County, including technology used for the center’s planning and outreach activities.
- Common identifier marketing cost.
- Outreach expenses.

All Parties to this MOU and IFA recognize that infrastructure costs are applicable to all required Partners, whether they are physically located in the PA CareerLink® Berks County or not. Each partner’s contributions to these costs, however, may vary, as these contributions are based on the proportionate use and relative benefit received, consistent with the Partner programs’ authorizing laws and regulations and the Uniform Guidance.

Partners funding the costs of infrastructure according to this IFA are the same as identified in the MOU’s partner’s section.

The County of Berks shall be the fiscal agent for the PA CareerLink® Berks County.

#### *IFA Dispute Resolution*

All Parties will actively participate in IFA negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally.

If the Required Partners have attempted informal dispute resolution and have failed to reach consensus on an issue pertaining to the IFA, then an impasse is declared, and the State Funding Mechanism (SFM) is triggered. The WDB will submit the “Report of Outcomes from Local Operating Budget Negotiations” form to inform the state of the impasse.

#### **PA CareerLink® Operating Budget (OB)**

The PA CareerLink® Operating Budget, or OB, is an incorporated MOU component. The purpose of this section is to establish a program year financial plan, including terms and conditions, to fund the services and operating costs of the PA CareerLink® Berks County. The Parties to this MOU agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the annual Ob is to develop a funding mechanism that:

- Establishes and maintains the local workforce delivery system at a level that meets the needs of the job seekers and businesses in the local area,
- Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among Partners (thereby improving each program’s effectiveness),
- Reduces overhead costs for any one partner by streamlining and sharing financial, procurement, and facility costs, and

- Ensures that costs are appropriately shared by PA Careerlink® Partners by determining contributions based on the proportionate use of the one-stop centers and relative benefits received and requiring that all funds are spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

The Partners consider this one-stop OB the master budget that is necessary to maintain the PA CareerLink® Berks County. It includes the following cost categories, as required by WIOA and its implementing regulations:

- Infrastructure costs (also separately outlined in the Infrastructure Funding Agreement (IFA)), and
- Additional Shared Costs

All one-stop OB costs must be included in the MOU, allocated according to Partners' proportionate use and relative benefits received, and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The one-stop OB is expected to be transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair.

All Partners will contribute to the overall operations of the PA CareerLink® Berks County service delivery system, as detailed in the PA CareerLink® Berks County OB.

For purposes of equity and to allow predictability in budget planning, withdrawal, or reduction in staff of a Partner shall not relieve the Partner of the obligation to continue to support the PA CareerLink® Berks County OB through the remainder of the current budget year on the basis calculated on the number of Full-Time Equivalent employees projected in the One-Stop Operating Budget at the beginning of the budget year.

Partners understand and agree that the one-stop operating budget will be updated and approved annually via a separate approval process. The new one-stop OB will become an addendum to this MOU.

Additional Partners may withdraw from this MOU effective with each new program year. To do so, the Additional Partner must notify the WDB in writing that they do not intend to remain a partner by April 15<sup>th</sup> of each year. The withdrawal will become effective the first day of the new program year.

The detailed OB, OB narrative, allocation bases per cost item, and partner contribution can be found in [Appendix C](#).

The one-stop staffing survey can be found in [Appendix D](#).

### Costs

Except for positions identified on the One-Stop OB as a shared cost, the One-Stop OB shall not include the personnel costs incurred by any of the Partners with respect to salaries, fringe benefits, travel and expenses or similar expenditures.

The costs included in the PA CareerLink® Operating Budget shall be cost pooled and allocated based on Full-Time Equivalent Employees (FTEs), except for those costs identified as "direct charges". FTEs are defined, for purposes of the agreement, as "individuals in the building"

regardless of the number of hours per week worked. (Further, all shared staff, such as the Site Administrator, Administrative Support, Resource Room Staff, IT Support, Receptionist, and Security Guards are exempted from the count of FTEs.)

All procurement and expenditures made with One-Stop Operating Budget funds will be made following policies and procedures set by the County of Berks and in accordance with applicable Federal and State guidelines.

At the beginning of each program year the WDB shall calculate the apportionment on which partners shall be billed based on each partner's relative share of the full-time equivalent staff covered by the One-Stop Operating Budget. The WDB shall also recalculate that apportionment at the beginning of each subsequent quarter based on increases in staffing by the partners including addition of new partners or increases in the numbers of FTEs by any of the partners.

The WDB will provide the Operator with monthly statements of account on the One-Stop Operating Budget. Partners will be invoiced on a quarterly basis within 30 days after the end of the quarter being billed.

### **Non-Physically Located Partner Cost Allocation**

The cost allocation for non-physically located partners is calculated by taking the total square footage used to provide basic career services and dividing it by the total square footage used for all career services (basic and individual). The result will then be used as the FTE share to be applied against costs shared by all partners.

### **Operating Budget Modifications**

Modification to the One-Stop Operating Budget need only be agreed to by those parties whose total budgeted amount has been increased.

### **Addition of Partners After July 1**

Partners added after July 1 of the program year will be invoiced as a member or a partner based on the date of their addition to the one-stop:

- Addition between July 1 and the beginning of the third (January 1) quarter:
  - Addition on the start of the second (October 1) or third quarter the entity will be considered a partner and be invoiced as such.
  - Addition during a quarter (August 1 for example) the entity will be considered a member and be invoiced as such until the beginning of the next quarter at which point the entity will be considered a partner. (Example: August and September the entity is a member, on October 1 they will be a partner.)
- Addition after January 1:
  - The entity will be considered a member and be invoiced as such until the beginning of the new program year at which point, they will be considered a partner.

### **Program Income**

Program income for the PA CareerLink® Berks County will be generated whenever the PA CareerLink® Berks County receives payment in the form of revenue for providing a service and that service is not clearly attributable to any Partner or funding source but is rather provided by the common resources of the PA CareerLink® Berks County. Examples might include the daily

rental of space to an employer for on-site recruiting, specialized testing or similar situations and circumstances.

The PA CareerLink® Berks County will allocate and use program income in compliance with the guidelines included in the PA Department of Labor & Industry WSP No. 03-2015 Financial Management Policy issued 12/22/15 and applicable federal OMB circulars. Program income will be tracked separately using the net-income method.

Decisions on the expenditure of program income under \$3,000 will be the prerogative of the Operator but shall always be for common purposes, rather than the benefit of any Partner or individual. Expenditures over \$2,999.99 will require the agreement (expressed on a signature sheet) of the major contributors to the One-Stop Operating Budget. Expenditure of program income generated by a grant supported activity or earned only as a result of the grant agreement during the grant period will be expended in conformance with the terms and conditions of the grant.

The WDB staff will provide the Operator with monthly statements of account for program income.

The Operator, in the expenditure of program income, will follow purchasing and procurement guidelines as established by the WDB in accordance with Federal, State, and Local regulations.

**VI. Authority and Signature**

The individuals signing have the authority to commit their respective organizations to the terms of this MOU and do so by signature below.

This MOU may be executed in one or more counterparts, should that at any time be more convenient to the signatories, and the originals of which when taken together and bearing the signature of all parties to the agreement, shall constitute one and the same MOU.

Without regard to the date of signatures below, the parties agree the effective date of this MOU is July 1, 2023.

## Appendix A

### Commonwealth of Pennsylvania Required Terms and Conditions

#### 1. COMMONWEALTH HELD HARMLESS

- a. The Parties shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third-party claims, demands and actions based upon or arising out of any activities performed by the Parties and their employees and agents under this Agreement, provided the Commonwealth gives the Parties prompt notice of any such claim of which it learns. Pursuant to the Commonwealth Attorneys Act (71 P.S. Section 732-101, et seq.), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to a Party, the Commonwealth will cooperate with all reasonable requests of the Party made in the defense of such suits.
- b. Notwithstanding the above, no party shall enter into any settlement without the other parties written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow a Party to control the defense and any related settlement negotiations.
- c. No provision in this Agreement shall be construed to limit the sovereign immunity of the Commonwealth.

#### 2. NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE

The Parties agree:

- a. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the Agreement or any subcontract, the Party, each subcontractor, or any person acting on behalf of a Party or subcontractor shall not discriminate in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- b. No Party nor any subcontractor nor any person on their behalf shall in any manner discriminate in violation of the PHRA and applicable federal laws against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under this Agreement.
- c. The Parties and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.

- d. The Parties and each subcontractor shall not discriminate in violation of PHRA and applicable federal laws against any subcontractor or supplier who is qualified to perform the work to which the Agreement relates.
- e. - 7) **“Non-bid Basis”** means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.

b. In furtherance of this policy, Contractor agrees to the following:

- 1) Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.
- 2) Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- 3) Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- 6) Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the *Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a)*.
- 7) When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately

notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.

- 8) Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- 9) Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.
- 10) For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

#### **4. CONTRACTOR RESPONSIBILITY PROVISIONS**

For purposes of these provision, "Contractor" means the individuals or entities that have entered into this Agreement with the Commonwealth and "contract" means this Agreement.

instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.

Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
- d. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- e. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

## **RESEA Program**

Statewide implementation of the RESEA program was completed by the end of 2018. RESEA is supported by a federal grant to fund additional services to assist UI claimants in becoming reemployed. The PREP program has been eliminated following implementation of the new RESEA program. L&I will select and notify UC claimants to participate in RESEA. Those chosen to participate are identified as most likely to exhaust UC, with military (UCX) claimants receiving first priority as required by the grant.

A WDP 13, RESEA self-scheduling letter, will be mailed to those claimants selected to participate in RESEA. The letter has instructions for the claimants to schedule themselves for a RESEA Orientation in their local PA CareerLink®. The RESEA will consist of a group orientation and an individual meeting with PA CareerLink® staff. The group orientation will consist of an introduction to the RESEA participation requirements, and the services provided by the PA CareerLink®. Following the group orientation, claimants will be provided a one-on-one interview to further assess reemployment services needed, development of an Individual Employment Plan (IEP) and review and confirmation of the information the claimant provided on the UC eligibility assessment. PA CareerLink® staff will summarize the RESEA meeting on an outcome form, complete a checklist, and provide this information to UC. Each RESEA participant will be scheduled for an appropriate reemployment follow-up activity.

In addition, staff will conduct follow-up phone calls at 30 and 60 days after their initial appointment. During the follow-up phone calls staff will review and update the IEP, provide additional reemployment services, and determine if additional services are needed through the PA CareerLink®. Any UC eligibility issues identified during the RESEA initial interview or follow-up activity will be promptly reported to UC for adjudication

## **Rapid Response**

### *1. Description of Service*

### **Foreign Labor Certification**

#### *1. Description of Services*

The H2A (Temporary Agricultural Program) and H2B (Temporary Non- Agricultural Program) help U.S employers fill jobs while protecting U.S. and foreign workers.

Hiring foreign workers for employment in the U.S. normally requires approval from several government agencies. First, employers must seek labor certification through the U.S. Department of Labor (DOL). Once the application is certified (approved), the employer must petition the U.S. Citizenship and Immigration Services (CIS) for a visa. Approval by DOL does not guarantee a visa issuance. The Department of State (DOS) will issue an immigrant visa number to the foreign

worker for U.S. entry. Applicants must also establish that they are admissible to the U.S. under the provisions of the [Immigration and Nationality Act \(INA\)](#).

Although each foreign labor certification program is unique, there are similar requirements that the employer must complete prior to the issuance of a labor certification. In general, the employer will be required to complete these basic steps to obtain a labor certification:

- a. The employer must ensure that the position meets the qualifying criteria for the requested program.
- b. The employer must complete the ETA form designated for the requested program. This may include the form and any supporting documentation (e.g., job description, resume of the applicant, etc.).
- c. The employer must ensure that the wage offered equals or exceeds the prevailing wage for the occupation in the area of intended employment.
- d. The employer must ensure that the compliance issues affected upon receipt of a foreign labor certification are completely understood.
- e. The completed ETA form is submitted to the designated Department of Labor office for the requested program (e.g., SWA, processing center or the national office).
- f. The employer is notified of the determination of the Department of Labor.

## 2. *Access to Services*

Access to H2A Foreign Labor Certification services will be provided within the local workforce development system through the Bureau of Workforce Partnership & Operations (BWPO). BWPO is the State Workforce Agency (SWA) responsible for helping Pennsylvania employers hire foreign workers in accordance with federal regulations.

- a. BWPO is in partnership with the PA CareerLink<sup>®</sup> network of one-stop service centers. These centers are located throughout the state and help employers recruit qualified U.S. workers through the automated, self-service Job Gateway.
- b. The Foreign Labor Certification Unit (FLC), a work unit within BWPO Central Office, provides employers with other U.S. Department of Labor (USDOL) mandated foreign labor certification process services, and helps employers complete the SWA related segments of the temporary foreign labor H-2A and H2B.
- c. PA CareerLink<sup>®</sup> staff assist in administering an internet based labor exchange called [www.pacareerlink.pa.gov](http://www.pacareerlink.pa.gov). This self-service, automated system enables employers, attorneys or agents to submit job postings and search for workers, while job seekers search the job postings and submit their resumes or job applications to the employers or their Points of Contact (POC). In addition to enabling employers or their POCs to independently submit and manage job postings, the self-serve system permits employers or their POCs to obtain job posting "My Candidates" lists 24 hours a day, seven days a week at [www.jobgateway.pa.gov](http://www.jobgateway.pa.gov).
- d. PA CareerLink<sup>®</sup> staff also offer a variety of other employer services including education and training services to help employers build a quality workforce.
- e. PA CareerLink<sup>®</sup> staff help employers fulfill part of the USDOL requirements for FLC by helping them recruit U.S. workers and determine whether or not there are any qualified job applicants available to fill their job postings. The goal, as required, is to find U.S. workers for all positions.

### **Department of Community and Economic Development**

#### *Description of Services and Contributions*

The PA Department of Community and Economic Development (DCED) is the commonwealth agency that represents the required one-stop (PA CareerLink® partner) representing employment and training activities carried out under the Community Services Block Grant Act (42. U.S.C. 9901 et seq.) at the state level.

The mission of the Community Services Block grant (CSBG) is to provide a full range of services and activities having a measurable impact on the causes of poverty in a community or those areas of a community where poverty is a particularly acute problem. Only federally designated Community Action Agencies (CAA) receive funding, therefore in PA, there are 44 CAAs that cover all 67 PA counties.

Ameliorating the causes and conditions of poverty take on a variety of community engagement activities and collaborative activism to remove obstacles that block the achievement of self-sufficiency; i.e. employment and training resources; community stakeholder collaboration; literacy activities; obtaining adequate housing; grassroots activities that provide intervention to the causes of poverty; addressing the needs of youth through programming or coordination; and increased engagement in community planning and improvement activities.

CSBG has been in existence since 1965, always with the same mission: to improve the causes and conditions of poverty. Initiatives have included, but are not limited to: neighborhood linkages, leverage of community resources, conduction of Volunteer Income Tax Assistance sites, building housing capacity, provision of family self-sufficiency and case management, facilitation of Results-Oriented Management and Accountability. For every \$1 of CSBG funds, the PA network leveraged \$16.82 from other federal, state, local and private sources, including the calculated value of volunteer hours.

DCED will participate in the local workforce service delivery system via the local CSBG agencies. CBSG agencies located in this local workforce development area may:

- Participate on local and regional planning groups;
- Engage in Business Service Teams activities;
- Have print materials available in the PA CareerLink® centers;
- Be linked to local workforce websites on computers;
- Potentially hold meetings at PA CareerLink® centers;
- Conduct joint employer outreach sessions as necessary; and

- Seek to leverage grant funding opportunities.

DCED will contribute financial assistance to be applied to the infrastructure and other operating costs of the PA CareerLink® sites annually and to the extent funding exists.

It is DCED's commitment that CSBG, as a required partner, will become part of the fabric of the public workforce system in a much more formalized way than in the previous years.
