

**For Immediate Release – County of Berks – Press Release**

**Several County Departments Moving to South Campus in April/May**

**Reading, PA — 04/09/2025** — Years of preparation and planning by dozens of county and court departments are transforming into action in just one week! Some of the first of the department relocations planned for in the Berks County Space Allocation Study will begin on April 14. The Area Agency on Aging, Assessment, Mapping, Workforce Development Board, Planning Commission, and the Industrial Development Authority will move from the County Services Center to the South Campus in Mohnton.

We anticipate the move to take at least four weeks: (This schedule is subject to change as needed.)

- Week of April 14 – Office of County Planning
- Week of April 21 – Assessment and Mapping
- Week of April 28 – Workforce Development Board, Department of Community and Economic Development, and the Industrial Development Authority
- Week of May 5 – Area Agency on Aging

Please note – If you have business in the County Services Center during the coming weeks, **we expect added traffic in the lobbies and elevators, particularly on the main lobby, and the 3<sup>rd</sup>, 8<sup>th</sup>, and 14<sup>th</sup> floors, during this time.** There may be general delays in elevator use throughout these weeks due to the added traffic.

The Commissioners, Operations, and Facilities Teams all want to thank you in advance for your patience and understanding during this transition.
