Call Type Descriptions

This document intends to provide descriptions of certain call types used in the Berks County Incident Time Response Logs. The call type assigned to each incident is based upon information reported at the time of dispatch.

Areported activation of a fire detection system. BECERT Berks County Emergency Response Team BF Brush Fire Areported fire in a field/wildland/forest or other unmaintained area of vegetation. CMA Carbon Monoxide Alarm Areport of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms Areport of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Incident Areport of the activation of a carbon monoxide detector or other reported to be symptomatic. CO Carbon Monoxide Incident Areport of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms Areport of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms Areport of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA. MF Miscellaneous Fire All for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run Amotor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident W/Entrapment Amotor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident W/Entrapment Amotor vehicle accident where the caller states that occupants are confined or trapped in a vehicle. MVAENT W/FIRE Motor Vehicle Accident Unknown Injuries Universe to the involved parties. MVAUNK Motor Vehicle Accident Unknown Injuries to the involved parties.	Call Type	Call Type	<u>Description</u>
BCERT Berks County Emergency Response Team BF Brush Fire A reported fire in a field/wildland/forest or other unmaintained area of vegetation. CMA Carbon Monoxide Alarm A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. CCO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms MF Carbon Monoxide Incident w/Symptoms MF Miscellaneous Fire A report of the activation of a carbon monoxide detector or other cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. MF Miscellaneous Fire A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident w/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident W/Entrapment & Fire Amotor vehicle accident where the caller states that occupants are confined or trapped in a vehicle. MVAENT Motor Vehicle Accident Unknown Injuries and MVAENT, but fire is also reported. MVAUNK Motor Vehicle Accident Unknown Injuries to the involved parties.	<u>Abbreviation</u>		
BERKS County Emergency Response Team Brush Fire Brush Fire Brush Fire Brush Fire Brush Fire A reported fire in a field/wildland/forest or other unmaintained area of vegetation. CMA Carbon Monoxide Alarm A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms CARDON Monoxide Incident CO Carbon Monoxide Incident CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident W/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAUNK Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown Injuries MVAUNK W/FIRE Motor Vehicle Accident Unknown Injuries MVAUNK W/FIRE Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also reported. MVAUNK W/FIRE Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also reported.	AFA	Automatic Fire Alarm	A reported activation of a fire
BF Brush Fire A reported fire in a field/wildland/forest or other unmaintained area of vegetation. CMA Carbon Monoxide Alarm A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS A report of the activation of a carbon monoxide detector or other cause to believe CO is present. Newer nomenclature than CMA. CMA/SYMPTOMS A report of the activation of a carbon monoxide detector or other cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident No Injuries A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident W/Entrapment A motor vehicle accident where the caller states that occupants are confined or trapped in a vehicle. MVAENT W/FIRE Motor Vehicle Accident Unknown Injuries to the involved parties. MVAUNK Motor Vehicle Accident Unknown Injuries to the involved parties. MVAUNK W/FIRE Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also			detection system.
Field/wildland/forest or other unmaintained area of vegetation. CMA Carbon Monoxide Alarm A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. MF Miscellaneous Fire Miscellaneous Fire A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident w/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident w/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident W/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown A motor vehicle accident where the caller is unable to determine if there are injuries to the involved parties. MVAUNK W/FIRE Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also	BCERT		A SWAT team response.
Field/wildland/forest or other unmaintained area of vegetation. CMA Carbon Monoxide Alarm A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported to be symptomatic. A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. MF Miscellaneous Fire A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident w/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident w/Entrapment A motor vehicle accident where the caller states that thore are no injuries to the involved parties. MVAENT Motor Vehicle Accident W/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown A motor vehicle accident where the caller is unable to determine if there are injuries to the involved parties. MVAUNK W/FIRE Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also	BF	Brush Fire	A reported fire in a
CMA Carbon Monoxide Alarm A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS A report of the activation of a carbon monoxide detector or other cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. MF Miscellaneous Fire A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident W/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident w/Entrapment A motor vehicle accident where the caller states that coupants are confined or trapped in a vehicle. MVAENT Motor Vehicle Accident W/Entrapment Same as MVAENT, but fire is also reported. MVAENT Motor Vehicle Accident Unknown Injuries to the involved parties. MVAUNK Motor Vehicle Accident Unknown Injuries to the involved parties. MVAUNK Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also are injuries to the involved parties.			field/wildland/forest or other
CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. A report of the activation of a carbon monoxide detector or other reported to be symptomatic. CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported to be symptomatic. A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. MF Miscellaneous Fire A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident W/Entrapment MVAENT Motor Vehicle Accident w/Entrapment & Fire MVAENT Motor Vehicle Accident w/Entrapment & Fire MVAENT Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown A motor vehicle accident where the caller is unable to determine if there are injuries to the involved parties. MVAUNK Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown Same as MVAENT, but fire is also reported. MVAUNK Motor Vehicle Accident Unknown A motor vehicle accident where the caller is unable to determine if there are injuries to the involved parties.			unmaintained area of vegetation.
CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS MF Miscellaneous Fire A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident w/Entrapment MVAENT Motor Vehicle Accident w/Entrapment & Fire MVAENT W/FIRE Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown Injuries to the involved parties is also reported. MVAUNK W/FIRE Motor Vehicle Accident Unknown Injuries to the involved parties is unable to determine if there are injuries to the involved parties. MVAUNK W/FIRE Motor Vehicle Accident Unknown Injuries MVAUNK W/FIRE Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also	CMA	Carbon Monoxide Alarm	A report of the activation of a
CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present and where individual(s) are reported to be symptomatic. A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. CO W/SYMPTOMS Carbon Monoxide Incident w/Symptoms A report of the activation of a carbon monoxide detector or other cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. MF Miscellaneous Fire A call for fire agencies where no other call type applies. MVA HIT & RUN Motor Vehicle Accident Hit & Run A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA NO INJURIES Motor Vehicle Accident W/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties. MVAENT Motor Vehicle Accident w/Entrapment & Fire Motor Vehicle Accident Unknown Injuries Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown Injuries MVAUNK Motor Vehicle Accident Unknown Same as MVAUNK, but fire is also			carbon monoxide detector or other
CMA/SYMPTOMS Carbon Monoxide Alarm/Symptoms A report of the activation of a carbon monoxide detector or other reported cause to believe Co is present and where individual(s) are reported to be symptomatic. CO Carbon Monoxide Incident A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. A report of the activation of a carbon monoxide detector or other reported cause to believe CO is present. Newer nomenclature than CMA. A report of the activation of a carbon monoxide detector or other cause to believe CO is present and where individual(s) are reported to be symptomatic. Newer nomenclature than CMA/SYMPTOMS. MF Miscellaneous Fire A call for fire agencies where no other call type applies. A motor vehicle accident where it is reported that one of the involved parties has left the scene. MVA HIT & RUN Motor Vehicle Accident No Injuries MVA NO INJURIES Motor Vehicle Accident w/Entrapment MVAENT Motor Vehicle Accident w/Entrapment A motor vehicle accident where the caller states that there are no injuries to the involved parties.
