16. Other

Drivers going too fast on the roads.  
Not feasible where we live  
Too young  
Bused to school on other side of district  
Would have to cross 222  
Bus Route runs & stops on our street

17. Better traffic control & district bus policy  
Take away the bus within a specific area  
Safe pathways – distance to far  
We'd have to move, safety training at home, be older & safe route to Shadow Ridge to Willow Creek  
Nothing for you to do, they are lazy, no crossing for 222  
n/a, our roadways are not designed to accommodate pedestrian traffic

18. **Are there any other places (park, library, shopping, friends, etc.) in the region that you or your children would like to walk or bike to but don't (please list).**

Not really  
No (4)  
Walnuttown Roads are narrow  
Fire Co. (children)  
Lake Ontelaunee  
None  
No safe crossing for 222

Nothing for you to do, children are lazy

Yes, as listed – park, library, etc. although our roadways are not designed to accommodate pedestrian traffic

Maidencreek Community Park – East Wesner Rd. no sidewalks & high volume of traffic

Our roadways are not designed to accommodate pedestrian traffic

Sidewalks or macadam walking trail along E. Wesner Rd.

**What needs to change in order for you to walk or bike to the places that you listed?**

Easy access & safety

Need to move to those towns, library, grocery store, post office

Wider roads see Mike O’Pake

Road/intersection safety

Siding area on Park Rd.

Nothing for you to do, children are lazy

No safe crossing for 222
