

## WHAT IS HOUSEHOLD HAZARDOUS WASTE?

Household Hazardous Waste is any household product which is labeled:

|           |           |
|-----------|-----------|
| CAUTION   | DANGER    |
| FLAMMABLE | EXPLOSIVE |
| TOXIC     | WARNING   |
| CORROSIVE | EXPLOSIVE |
| POISON    | VOLATILE  |

or a combination of these characteristics. Look for warning or skull and crossbones on label. Use this list to identify and collect hazardous products which are no longer usable or wanted. Select a product suited for the job at hand but buy only what you can use entirely.

## WHY COLLECT HOUSEHOLD HAZARDOUS WASTE?

These collection days are intended to provide **Berks County** residents with a responsible way to dispose of old, unusable and unwanted hazardous products. Putting them in the trash or down the drain contributes to the pollution of our air and drinking waters.

## HOW TO BRING MATERIALS TO OUR COLLECTION SITE?

- Do not mix the materials
- Tighten lids on all containers. If containers are leaking, pack in larger containers
- Bring all materials in original containers with labels, if possible.
- If not in original labeled container, please label container used

## ACCEPTABLE MATERIALS

### OIL PAINTS

- Turpentine
- Wood Preservatives

### Instructions

- All waste must be in trunk of car or bed of truck.
- Stay in your vehicle at all times

When improperly disposed of, used motor crank case oil and antifreeze can damage the environment and human health.

#### SOME GUIDELINES

- Don't pour used oil or antifreeze on the ground, down the storm sewer or down any drain.
- Don't burn used oil except in an EPA approved furnace.
- Don't mix used oil with any other liquid.

**DO** collect the used oil in clean, unbreakable containers with tight fitting lids.
