Wernersville Borough		\$17,450.00		\$7,200.00
Womelsdorf Borough				

NOTE: All response blocks left blank indicate that no information has been provided.

Sewer Engineering and Legal Fees: Engineering and Legal fees specifically cover preparation of Act 537 Plans or any other required document preparation for the sewer treatment facility. The table shows the budgeted expense for both engineering and legal services for each sewer system for 1997 and 2011. With aging plants and stricter regulations each system will need to budget for the required engineering and legal expertise to meet new or more stringent requirements.
