County of Berks – Press Release

*County officials notified that federal government plans to end its contract
with the Berks County Residential Center*

Reading, PA— 11/30/2022 — The federal government has notified the County of Berks that, effective Jan. 31, they will be ending the contract with the Berks County Residential Center. County officials met this afternoon with management and staff at the BCRC and informed them of the federal government’s decision.

The County of Berks would like to thank the BCRC staff and employees and AFSCME for their service and commitment to this program. County officials are also committed to do everything possible to support these employees during this transition.
